

3. Emotional Intelligence & Client Handling ✓

➤ **Deliverable:** ✓

Write a **response plan** for two types of difficult clients, applying emotional intelligence strategies. ✓

❖ **Explanation:**

Students will:

- Choose **two client types** (e.g., “All price” client or “I know it all” client).
- Describe a realistic freelance situation with this client.
- Explain how they would respond using EQ components like:
 - Self-regulation ✓
 - Empathy ✓
 - Social skills ✓

Responses can be written in a structured scenario format (case + response).
